## SPECIFICATIONS

TruNorth captures the rugged charm with each 8 1/2" wide white oak plank. Featuring **TruTexture**, rich sawn marks, handscraped distressing, and a fumed finish are crafted for natural depth and character and create an authentically rustic stage. A low-luster, UV-cured coating with aluminum oxide protects against daily wear, all while its T&G joint allows simple installation on any grade, even with hydronic heat. Embrace the warmth of TruNorth—timeless, modern, and rooted in nature.
